ROTHERHAM FAMILY AND CHILDREN’S CENTRE OUTREACH OFFER

Early Help and Family Engagement Service

Rotherham Family and Children’s Centres are part of the 0-19 years Early Help Service, and within the service there are teams that offer support within the community and in centres. These Outreach and Engagement Teams cover three area locations of north, south and central Rotherham.

Early Help Family and Children’s Centres

There are six Local Authority Family and Children’s Centres in Rotherham and a further three centres operated by our partners. Please do not worry if there isn’t a centre in your local area, the teams cover the whole of Rotherham and often work from a variety of local venues near you, as well as outdoors and in the community.

Registering with a Family and Children's Centre

If you are not already registered with a Children's Centre, you will be missing out on lots of activities that will benefit you and your family. Whilst the Service works with families that have children 0-19 there are specific activities for children aged 0-5 years that help their development. Registering with your local Children's Centre is easy and it means that we can keep you informed about the fun events, activities and services that we offer. If you are not already registered, it is easy to register your family at **www.rotherham.gov.uk/children-families**. Or you can contact your local team (see details on the back of this leaflet).

Activities and services that you can expect to find in your community, delivered by Family and Children's Centre workers include:
